WALLASEY COTTAGE HOSPITAL.

74th Annual Report, 1939.

The Committee have pleasure in submitting their Report for the year 1939, the 74th in the life of the Hospital.

In our Report for 1938 we referred to negotiations with those responsible for Air Raid Precautions in regard to the safeguarding of the Hospital. Immediately on the outbreak of war steps were taken to protect the Hospital by sandbagging, and special shelter facilities were provided for "walking" patients and for the staff. We are grateful for the voluntary help in this connection rendered by pupils from the local schools, medical students and other good friends.

The Ministry of Health requisitioned a proportion of the bed accommodation and relinquished them at the end of October last. The Hospital is therefore once more free to carry on with civilian cases.

Provisional arrangements were made by the Regional Hospital Officer for a war-time staffing of the Hospital by Medical Officers to come into operation if and when necessary.

Your Committee continue to feel much concern at the consistent decline in the number of subscribers. It is evident that in present conditions increased expenditure in the maintenance of the Hospital will be inevitable, and we again appeal for more widely spread help.

The Committee desire to express their warm thanks to their loyal Subscribers and Donors and for the generous support received from the Wallasey Village Festival, Hospital Saturday Fund, Hospital Sunday Fund, New Brighton Amateur Operatic Society, Liverpool Guild of Undergraduates, Wallasey Joint Hospital Ball Committee, St. Nicholas' Golfers' Service, Wallasey Lady Bowlers Association, The Chrysanthemums and the organisers of the Harold Challenge Cup competition. They also desire to express their deep appreciation of the services rendered by the Merseyside Hospitals Council to the Voluntary Hospitals of this area.

Once more we tender to our Lady Organisers and Collectors sincere gratitude for their valued assistance and also to our friends who sent us eggs during the Hospital's Egg Week.

VIEW FROM THE SOUTH.

Few changes have taken place in the personnel of the Medical Staff during the year. Lt. Col. A. T. Ashcroft, R.A.M.C., left for Military Service in September, and Dr. Herbert Brown was appointed Hon. Dental Surgeon in succession to Mr. Allan C. Capper who resigned in order to take up a public appointment.

The following members retire from the Committee, viz. :—

Mr. J. Allcorn.

Dr. Rankin G. Walker.

Mr. R. Foden.

Dr. J. Williams.

Mr. A. F. Teare.

and offer themselves for re-election.

Your Committee again tender to the Hon. Consulting Staff, the Medical Staff, the Matron and Nursing Staff, and to Messrs. Dawson, Graves and Company, the Honorary Auditors, the Hon. Consulting Architect, Mr. T. Taliesin Rees and our Hon. Solicitor Mr. Arthur J. Wardle, very cordial appreciation of their valuable services during a difficult year.

MEDICAL REPORT.

I have pleasure in submitting my Annual Report for this year. It will be noticed that there is a reduction in the number of in-patients during the past year. This is due to the order we received to evacuate as far as possible the patients from the wards at the outbreak of the war and to keep beds in readiness for emergencies.

The patients in the wards were as follows :—

<i>Private Wards</i>				<i>General Wards</i>

There has been a decrease in the days in Hospital from 10,881 to 10,321.

There is still a shortage of beds, and as soon as we get back to normal routine, this shortage will become more accentuated.

The Medical Staff wish to thank the Matron and her Nursing Staff for their efficient co-operation and support.

J. M. ANDERSON, M.B., Ch.B.

REPORT ON X-RAY DEPARTMENT.

During the year there has been an increase in the investigation work which has been carried out in the department.

There have been no radical alterations since the last report and the apparatus has worked very satisfactorily. The following is a list of the cases examined :—

In submitting my report of the Dental Department I regret that there has been a decrease in the number of patients attending. I would surmise that the onset of war and latterly the extreme weather conditions are accountable.

I wish to thank the Committee for their generosity in providing the new Dental equipment ; and also Dr. Stewart Hess and Mr. Allan Capper for their invaluable assistance in the administration of anaesthetics for my dental cases.

WALLASEY COTTAGE HOSPITAL

A DIFFICULT YEAR

NEED FOR GREATER
SUPPORT

APPEAL AT ANNUAL MEETING

23rd FEBRUARY, 1940.

WALLASEY COTTAGE HOSPITAL.

SPEECH OF CHAIRMAN :
MR. ALBERT WHITESIDE.

The past Hospital Year was of a very mixed character owing to the outbreak of war, and it is in consequence difficult to make a comparison with the work done as against 1938 because from the first week in September 1939 practically half the accommodation in the Hospital was held at the disposal of the Government. This meant that only a limited number of civilian cases could be dealt with. All the necessary rearrangements to handle possible war casualties were promptly made, and it is gratifying to be able to report that the Hospital was quickly placed upon a war-time footing. Happily the contemplated influx of war-time casualty cases did not eventuate, and as time went on the tension slackened, and as from the end of October, when the Government release of beds was received, the Hospital soon resumed its ordinary services to the public. We did have a few patients from His Majesty's Forces, who were well cared for.

The Report refers to the steps taken by us to protect promptly the vital parts of the Hospital and to provide shelter against possible enemy Air Raid action for certain of the Hospital staff and patients, but I

would like to put on record our full appreciation of the amazing help and co-operation we received in carrying out these urgent protective measures at a period when the customary labour, transport and other facilities were not available. Transport for sand was a special difficulty, but we were splendidly helped by the Market Gardeners of Wallasey, who placed their motor lorries, etc., at our disposal and thus enabled us to utilise promptly and fully the cheerful services of the school girls and boys who worked at filling sandbags with an energy that was indicative of the British character to get on with the job when faced with danger. It was a time that we will never forget. The trench—120 ft. long by 7 ft. deep—CUT THROUGH ROCK BY MANUAL LABOUR ONLY, is an example of the zeal for work shown by our willing helpers. Let us hope that there may never arise an occasion to put the trench to use.

Turning from the warlike preparations, I want to refer to a more peaceful service to the Hospital and that is the need for more help on the financial side. Our accounts show a serious falling off in donations and collections. Commendable though it is to save money in war-time in order to help our Country, it is vitally and equally important to save life and restore impaired health, and that is the mission of our Hospital and of

all Hospitals to-day ; so we hope the public will not get the impression that Hospitals can run by themselves ! This is not so. We want the goodwill and continued support of the public so that our work may not be hindered. Actually the need for financial aid is more pressing in war-time, as there is every likelihood of the resources of the Hospital being utilised to the utmost extent.

The Ladies Collecting Committee are deserving of our fullest praise for their good work in spite of present-day difficulties, and they will welcome cordially all those who are willing to co-operate with them in collecting additional revenue for the Hospital. **THIS WORK IS REAL NATIONAL SERVICE TO THE SICK AND SUFFERING**, and I hope that many public-spirited ladies and gentlemen of Wallasey will respond to this call. Come and have a look at the Hospital and learn of the good work that is being done here, and then you will be persuaded to join the ranks of those good citizens and citizenesses who are already helping us.

I should also like to thank the party of kind workers presided over by Mrs. A. Reid Moir, who meet at The Grange, Wallasey, to prepare garments and other useful things required in a hospital, particularly in war-time.

They have sent us a most useful supply and we greatly appreciate their good work.

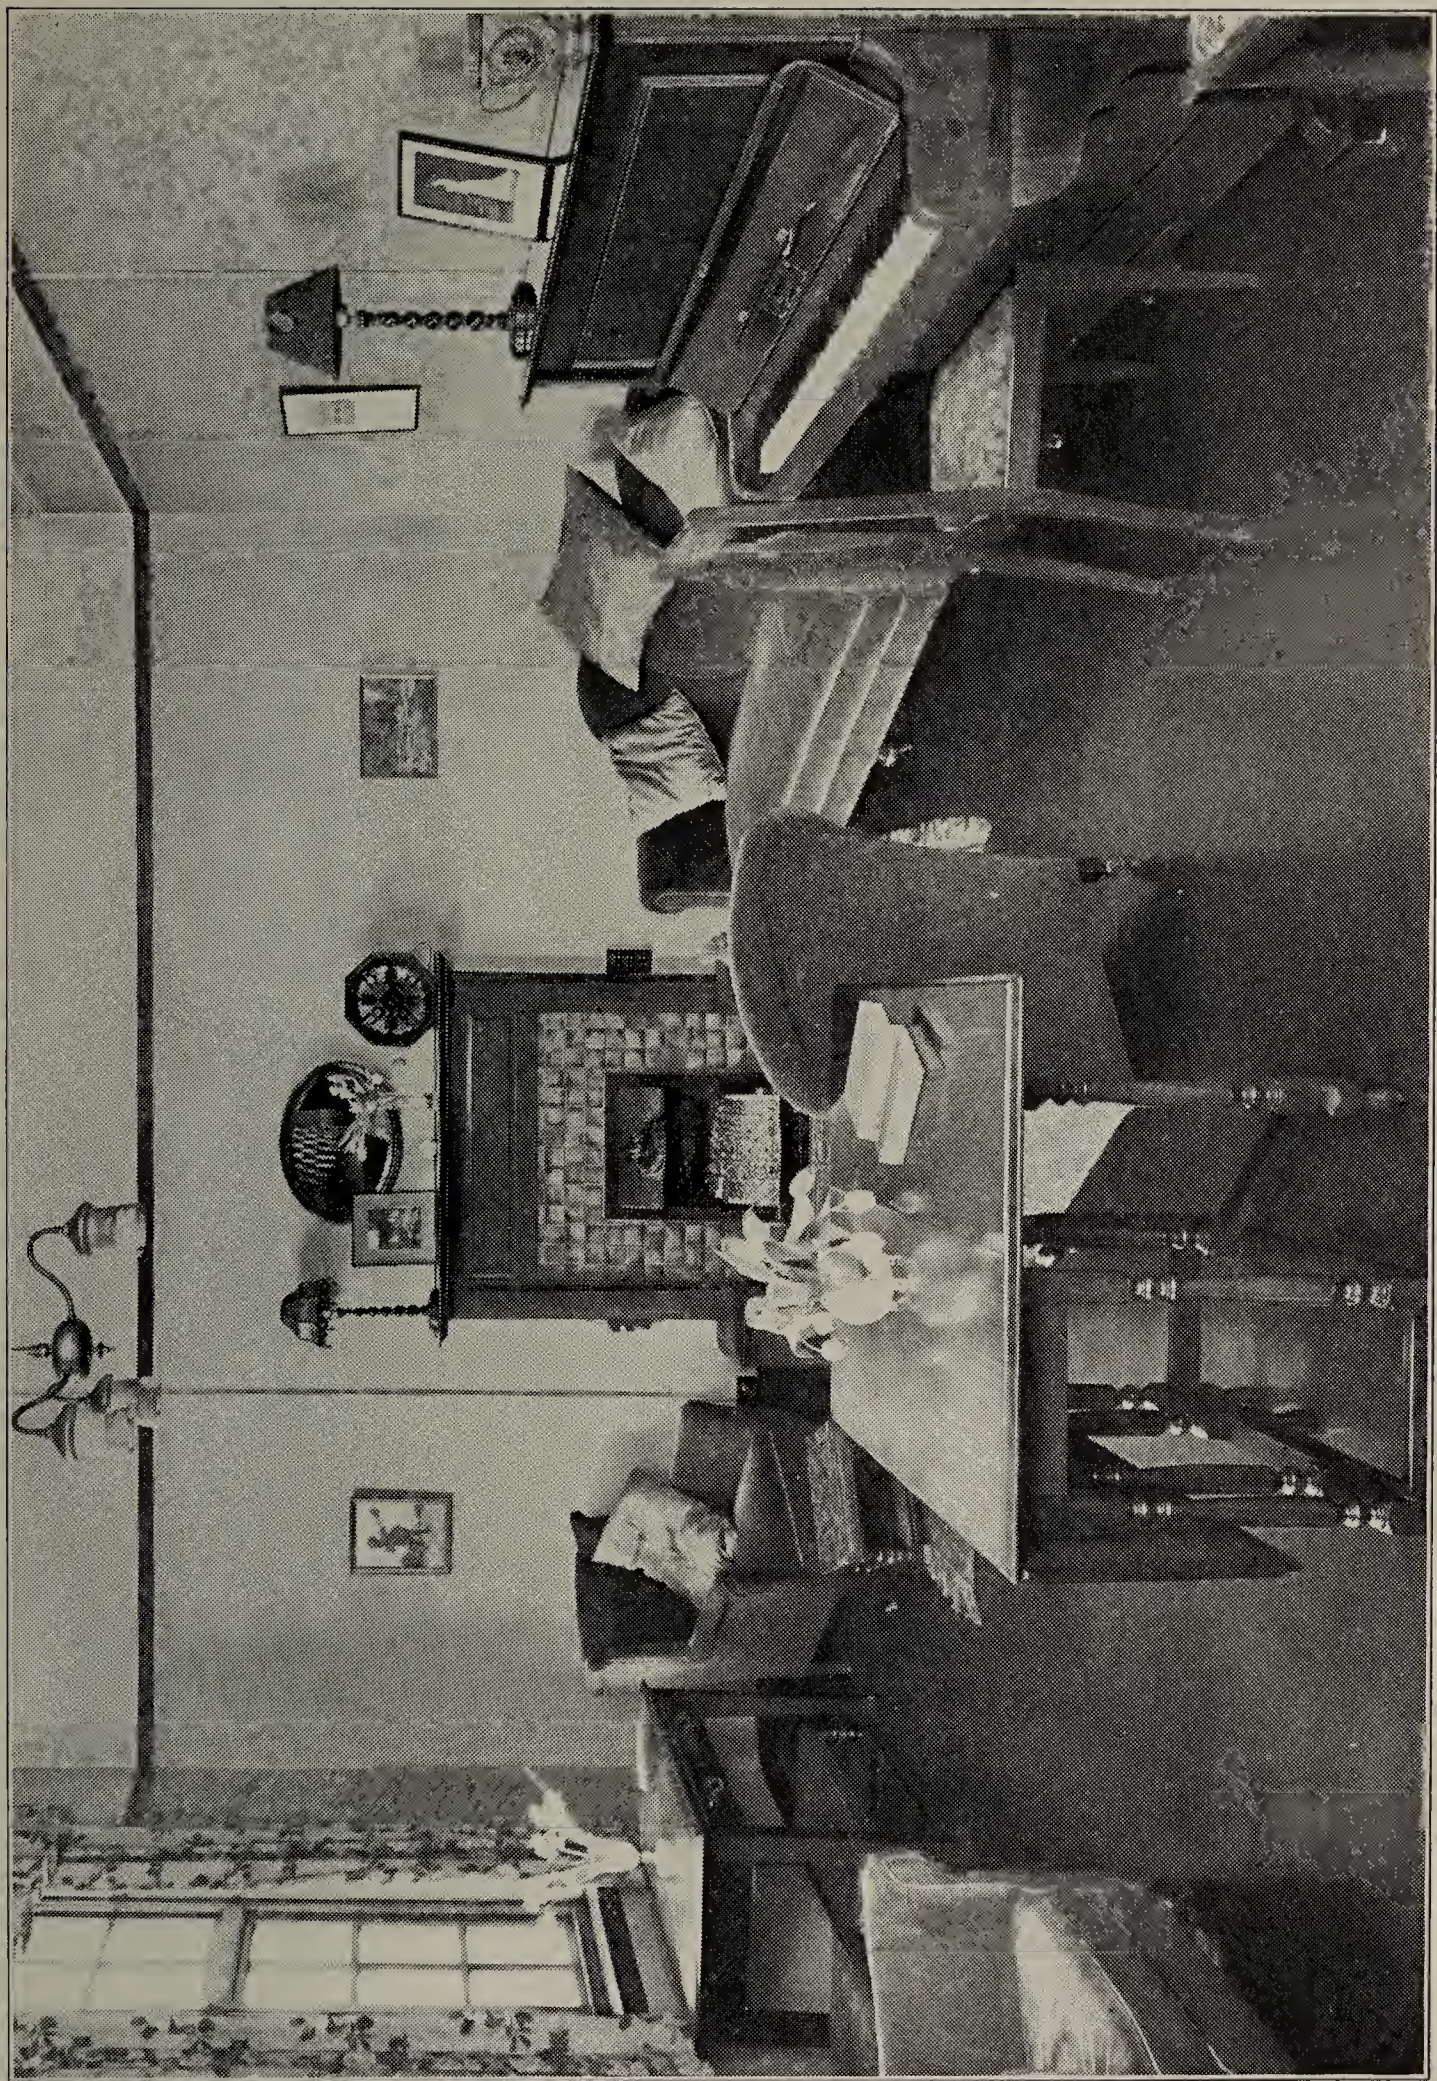

Our Matron was very fortunate in being able to take her holiday in South Africa and get back before the outbreak of war, and we were glad to see her return greatly refreshed by the change. The nursing side of the work in the Hospital was very ably carried on in her absence by Sister Nixon and the nursing staff, and the Committee appreciate their efforts.

I must just mention the contemplated extension of the Hospital, which was referred to in last year's Report. Obviously, owing to the war, we shall have to defer this extension until a more appropriate time, which I sincerely trust is not too distant.

In proposing a vote of thanks to the Committee for their services to the Hospital, Mr. T. W. H. Humphreys spoke of the excellent work performed at the Wallasey Cottage Hospital, and he made a strong appeal to the public for a greater degree of support to the funds of the Hospital during the current year.

INVITATION TO VIEW THE HOSPITAL

There are many persons in Wallasey and district who have never had an opportunity of inspecting the Wallasey Cottage Hospital and have little idea of the service it renders. If there be any who are interested and would like to avail themselves of the opportunity—especially those who, by their voluntary service and financial help have done so much to assist in its maintenance—a cordial invitation is hereby extended, and suitable arrangements for their visit will be made upon application to the Matron or the Hon. Secretary.
